SKILLS

Languages: C, C++, Java, Python, HTML, CSS, JavaScript, React.js, Node.js
Tools/Platforms: Kali Linux, VMware, Ubuntu, Oracle, Wireshark, MySQL
Soft Skills: Problem-Solving, Team Player, Discipline, Adaptability

PROJECTS

Furniture Store Web Application | Link — Jan' 26

- Developed a full-stack furniture store web application with responsive UI for browsing and managing products.
- Implemented backend APIs using Node.js and Express.js with MongoDB database integration.
- Collaborated in a team using GitHub for version control, feature development, and bug fixing.

Online education website for nomadic community | Link — Apr' 25

- Developed a full–stack online education platform for a nomadic community using modern front-end technologies (HTML, CSS, JavaScript) and server-side scripting for dynamic content delivery.
- Implemented user-friendly, mobile-responsive UI to support learners with limited device access, improving accessibility and engagement.
- Built backend features such as user authentication, content management, and database connectivity, ensuring smooth performance and secure data handling.

E-Learning Platform | Link — Dec' 23

- Developed a functional E-Learning Platform using HTML, CSS, and PHP, featuring user registration, login, and course access modules.
- Designed responsive front-end layouts to ensure smooth learning experience across desktop and mobile devices.
- Implemented backend logic in PHP, including content management, user authentication, and database integration for storing course and user data.

TRAINING

CSE Pathshala — Jun' 25 – Jul' 25

C++ Programming: OOPs and DSA

- Completed 35+ hours of Live Summer Training on C++ Programming: OOPs and DSA from 10 June 2025 to 28 July 2025 with full attendance.
- Gained hands-on experience in OOP concepts, STL, and core data structures with practical coding tasks and assignments.
- Performed satisfactorily in all assessments and final test, demonstrating strong problem-solving and programming skills.

CERTIFICATES

Fundamentals of Network Communication (Coursera) | Certificate	Sep'24
Introduction to Hardware and Operating Systems (Coursera) | Certificate	Sep'24
C++ Programming: OOPs and DSA (CSE Pathshala) | Certificate	Jul'25
Master Generative AI & Generative AI tools (Infosys) | Certificate	Aug'25

ACHIEVEMENTS

HackerRank Python - Bronze level (2 Stars) — Nov'23

EDUCATION

Lovely Professional University — Phagwara, Punjab
Bachelor of Technology - Computer Science and Engineering — *Aug' 23 – Present*

National Institute of Open Schooling — Noida, UP
Intermediate; Percentage:78% — *Mar' 22 – May' 23*

Spring Dales Public School — Mawana, Meerut
Matriculation; Percentage:73% — *Mar' 19 – May' 20*
